

MEMORIAL SERVICE OF MOOSE SUNDAY

Secretary Ludwig of the Moose in announcing last night that arrangements were concluded for the memorial service to be held Sunday afternoon at 2 o'clock added that the next Governor of Arizona would make the address of the afternoon, "his name being Fred Sutter," the secretary said.

Arrangements for the Sunday afternoon service are such as will give the Bisbee Moose the distinction of having planned the largest Memorial Day observance ever attempted in the state under the auspices of their order. The Orpheum will doubtless be crowded to capacity by those who will attend, general invitation being extended to the public. Judge Sutter who will make the address of the afternoon, is widely known for the eloquence he commands on such occasions and has been heard at previous memorial services of both the Moose and the Elk in the city.

COCHISE MEETING TO BE HELD MONDAY

There still being some stock outstanding which has not been heard from, the following was given out yesterday by the Cochise Development in hope of urging attention to the call of the special meeting to be held on Monday:

The attention of all local stockholders of the Cochise Development Company, who have not forwarded signed proxies to the Secretary, is again called to the special meeting which will be held in the office of the company, on O. K. street, Bisbee, Arizona, on the 20th day of April, 1914, at 2 o'clock p. m., for the purpose of considering and acting on a proposition to grant an option to purchase all of the mining property of the company for the sum of Three Hundred Eighty-Five Thousand Dollars (\$385,000.00), and for the authorization of the Board of Directors to execute said option if the same be approved by a majority vote of the stock outstanding, with the request that they either be present or deliver signed proxies to the secretary before the meeting.

T. O. McGRATH,
Secretary Cochise Development Company.

SLIPPED AWAY AND WEDDED QUIETLY

C. S. Baker, a well known business man of the city, was married at Tombstone April 14th, at the Episcopal parsonage to Cora Laflore, of St. Louis, Mo. The couple were well remembered by their friends, having received a chest of sterling silver from Mr. Baker's business associates and also many other beautiful gifts. They will go to housekeeping in a beautiful home in Bisbee, where they will be at home to their friends after return from a brief wedding trip.

Mr. Baker distinctly surprised his many friends about the city and district, the departure with his prospective bride for Tombstone having been made on Tuesday without the knowledge of other than a few of his intimate associates. His bride, a very charming woman, has been here from St. Louis for some time on a visit, during which time she has made many friends.

Not until yesterday was it generally known about town that Mr. Baker had departed from the ranks of bachelorhood. His friends are now preparing to make enthusiastic and vigorous observation of the event.

FIGHT FOR MILLION IN GOLD FIELDS

"A fight for a million" is the kind of story everybody likes. It sparkles with action and the plot centers around a pretty Western girl who successfully pits her wit and nerve against those who would defraud her of her just rights to her late father's property, the Western Star Mine, worth a million dollars.

The story opens in a western mining camp and throughout the entire three reels is maintained the true atmosphere of early life in the Western mining camps. It is one of the new type of western pictures. The plot is gripping and the interpretation is by an all-star company. Those who visit the Royal Theatre either this afternoon or evening, when this typical western story, which is in three parts, will be presented, will witness a genuine treat.

LOWELL'S FEATURE PROGRAM TONIGHT

For the Lowell's program tonight there will be three special features, a thing very unusual in any picture theater, even those of the very highest order in the larger cities. Beginning with this bill the Lowell will have another entire week of special and exclusive features. For tonight "His Little Page," a special one reel feature presented by the Vitaphone Company, featuring Leo Delaney, Norma Talmadge and Van Dyke Brooks, will take top honors at this house in the line of comedies. "The Tide of Destiny" is a dramatic offering by the Selig Company and is one of their one reel masterpieces, released for what is classed as exclusive service. "The Dutch Love Story" is also an exclusive service feature and is of such rare beauty that those having the good fortune to witness its presentation by the Lowell's perfect projectors will have the distinct pleasure of having seen one of the world's finest masterpieces.

This program is perhaps the best balanced of any ever presented in this district and the patrons of the Lowell will leave this exhibition with a feeling of gratitude towards the management for its excellent selection of picture programs and the pleasing manner in which they are always presented to the public. It is really a dollar show for 10c and 15c.

SETTLE IS CAUGHT IN EL PASO—ISSUED BAD CHECKS HERE

YOUNG MAN WHO WAS MIXED UP
WITH SCHWARTZ IS APPRE-
HENDED IN TEXAS CITY

Jay Settle for some time past a part owner in the Wardrobe tailor shop on Main street and who disappeared several days ago was apprehended on a telegraphic warrant at El Paso yesterday morning. Deputy Sheriff "Red" Gannon left last evening for the Texas town to get Settle and bring him back to Bisbee. The charge against Settle is forgery.

It is supposed that Schwartz left the district with Settle and may have been arrested with him in El Paso. Nothing definite is known of this, however, and it is doubtful whether he would be brought back here if he was caught. The case against him was called for trial Thursday and when Schwartz failed to attend his bond was declared forfeited. The bondsmen, in all probability, will be called upon to pay the amount of his bonds, \$25.

BRINGS A RATTLER TO BISBEE WHICH HE GOT IN HEREFORD

PASSENGER BUYS SNAKE IN
HEREFORD, BRINGS IT
TO BISBEE

A passenger on the Tucson train, which reaches Bisbee at 7:15 p. m., caused his companions considerable worry Thursday evening. When the train stopped at Hereford the passenger saw a rattlesnake in the

possession of a Chinaman. He purchased the reptile and brought it to Bisbee.

While enroute the passengers finally found out what was in the closely guarded sack. In course of the trip the end of the car in which the snake and its caretaker were riding became devoid of passengers. No noise was made about the exodus but the other people on the train thought they would rather be at a safe distance from the Arizona desert product.

When the man and his snake arrived in Bisbee he dismounted from the car and started towards the street. Several of the passengers edged away from him and Chief Watkins, seeing the unusual proceed-

ure, asked what was in the bag. He was told what it contained.

About that time the passenger asked a stranger to hold the bag, as he wanted to go some place and get a box. The chief interceded and said that such a curiosity could not be left without its owner. Finally, after considerable argument, the owner decided to kill the snake and be satisfied with nothing but the hide as a relic to be sent to his relatives in the east. When he finally left the station he carried the snake, but it was dead, and as the sun was just going down all the kids who were much interested in the performance were willing to concede that the reptile died according to the snakehead's Hoyle.
